Product Release: WARN XDC Winch

Warn Industries has released its newest winch: the XDC. This winch is made specifically for markets outside of the United States, and is not sold in the U.S.

The WARN® XDC has a low profile and compact shape to fit a wide-variety of bumpers. It has a 9,500 lb. (4,310 kg.) line rating and an extreme duty cycle for long, efficient pulls. Additionally, the XDC features a thermometric protection device to ensure long motor life by suspending winch operation if the motor's temperature becomes elevated beyond its normal operating range.

For superior resistance to the elements, the XDC has extreme duty winch sealing, and full-face contract drum seals.

Other amenities include a Gen II, Series Wound™ motor; a control box with a water-resistant contactor; a high-gloss, chip-resistant powder-coated finish over chromate coating for superior corrosion resistance; and a multi-segment cam-actuated brake for positive operator feedback while winching. Also included is a remote control with a 12' (3.7m) lead with a built-in flashlight.

Key points:

- Rated Line Pull: 9,500 lb. (4,310 kg.) pull rating
- No-Load Line Speed: 29 ft./min. (8.8m/min)
- Motor: 12V Gen II, Series Wound™
- Geartrain: 3-stage planetary
- Clutch (freespooling): Sliding ring gear
- Brake: Automatic direct drive cone
- Wire Rope: 100' of 5/16" diameter (30m of 8mm)
- Fairlead: Roller
- Finish: Chromate with high-gloss dark-gray powder coat

Part Number	Product Description	Width	Depth	Height	Weight	Pallet Qty.	List Price
74700	XDC Winch	21.8" (555mm)	6.3" (160mm)	7.6" (193mm)	87.0 lbs. (39.5 kgs.)	16	\$1,346.00
